Humour is a stress buster playing a pivotal role in breaking the barriers of monotony, lethargy and passivity in life. It is the lifeline of human society, practised since time immemorial. All the ancient monarchs employed professional humorists to enliven their court life.

The Shakespearean plays are replete with humorous characters such as Falstaff and other fools like Touchstone adding new dimension to the plays. Similarly, in India, our epics and stories highlight the role played by these humorists and storytellers.

Chuckle of Jokes brings to you a string of jokes, touching all facets of modern society — politicians, lawyers, doctors, drunkards, and modern gizmos like computers. You will come across jokes related to mother-in-law and daughter-in-law, teacher-student, mistress-servant, and husband-wife, besides some funny Ad-ventures in newspapers, corny queries and some home truths.

So be prepared for some rib-tickling moments.
