Samskars make living easier, better and fuller, if performed as they should, with right earnestness. Lord Sri Krishna declared in the Gita: "That person easily succeeds in both the physical and spiritual realms (worlds) whose Samskars have been duly completed and that has achieved control over senses.

The book 16 Hindu Samskars incorporates all the Samskars that make a person refined and cultured, to grow from inside and to enable one to lead a pious, complete, healthy, happy, pleasant and prosperous life. If all the Samskars are performed and the patterns and rules obeyed then life of a person would be worth living, blissful, and pure enough to get bliss and salvation, and that person would be a worthy citizen able to make the earth a better place for all living beings and to ensure continuity of life.

Read 16 Hindu Samskars, learn about them and be Samskari.
