A child is shaped according to the parents' style and belief. Parents' confidence in handling their children in a constructive way can create a turning point in each family.

The book will help parents develop new insights into a child's holistic development and the practical solutions will be very powerful in shaping the parents' parenting style in a positive way which, in turn, would create a better childhood for their children. It would also help those parents who have doubts about their children's potential.

A simple guide for parents to handle children's day-to-day problems. The tips and techniques are very practical.  
- Mrs. Prem Lata Garg, Principal, DAV Public School, Sreshtha Vihar, Delhi
