A fascinating, roller-coaster tale of teenage love, Kazi's book depicts the emotion in its raw, confusing form – just the way you'd have experienced it the first time you fell in love with someone. Kazi's penchant for detail is impressive and makes the book an alluring journey for all die-hard romantics.

— Tuhin Sinha, best-selling author of 'That thing called Love' and 'Of Love and Politics'.

There are some who love and conquer . . .
There are some who love and forget . . .
. . . and then there is RAHUL KAPOOR!

A pompous Rahul is head over heels in love with Seema, his beautiful female equivalent from the same school. After a whirlwind of innocent encounters, their teenage romance blossoms yet both of them never confess their love to each other. A series of misunderstandings and ego clashes cause them to drift apart. Rahul loses his sanity and ultimately his love. By the time he realises the magnitude of his loss, it appears to be too late. Will Rahul get back his Seema? Or will Seema never realise the depth of Rahul's feelings?

This teenage love story seeks answers to all these and more as it alternates between the past and present and makes you wonder; do all love stories have a happy ending? Or do all love stories end, ever? TRULY MADLY DEEPLY promises to be an emotional saga that will captivate the reader's heart and fascinate his mind and leave him pondering – does love truly conquer all odds?
