This is a fascinating book that will give you all the information about the environment. Every civilised person should be conscious of his or her environment and its good health. We have already done much harm to it due to our ignorance or a callous negligence. Nowadays environmental studies have been incorporated in general education system right from our primary school level. In order to increase awareness about the environment, schools and also various NGOs organise quiz shows and other programmes regularly.

Hundreds of questions on almost all aspects of environment, and lots of other important details you can find in this book. You'll never have a dull moment with this extraordinary compendium of fascinating facts, interesting information, and tantalizing trivia. If you're even remotely interested in quiz shows, this book will transport you to exhilarating heights. But you don't have to be a quiz buff to take pleasure from it. If you are one that marvels at the remarkable information on environment, then you are sure to enjoy going through the pages of this book. Filled with fascinating facts about the environment, the answers to all of your general queries about it are there in this slim volume. This exciting trivia book is packed with enough quizzes, lists, and definitions to please even the most ardent trivia buff.
