For you your house is not just brick and cement--it is an extension of your personality,a reflection of your taste and preferences.Thus, it is natural for you take extra pains when deciding on the designs and materials of different components to be incorporated.

So when it comes to the designs of railings, staircases, grills and gates you need not look any further. With the help of this book you will be able to make your dream choices.

The book offers:

- *Latest designs of straight square bars
- *Russian grill designs for exhibition purpose
- *Square and flat steel bar designs for front side and iron bar designs based on Japanese style
- *All-purpose designs in wrought iron bar, common designs of railings used in English homes
- *Attractive American designs of modern construction and decoration
