Backed by years of astrological experience, Dr Ambika Prasad Parashar and his son Dr Vinod Kumar Parashar offer a fresh perspective on each Sun sign and the signs of other planets when they transit different houses in a chart (kundali). Examining the main areas of life such as relationships, finances, family, career, health, love and personal characteristics, the authors probe the gifts of the Sun signs interwoven with the influence of other planets, aspects and transits in the houses.

Highlights:

The book tells readers:

- * How things operate in life due to astrological influences, so that they can approach life from a new perspective to discover the right vocation and attain great success, happiness, love and peace.
- * Case studies of prominent persons are dealt with extensively to help readers understand the planetary influences and other signs that indicate foreign travel, property, love, money, position, luck and other factors in life.
- * Compute your own lagna (rising sign) and make your own chart, if required.

About the authors:

The father and son duo of Dr Ambika Prasad Parashar and Dr Vinod Kumar Parashar have been practising astrology for the past three decades. Their vast experience has benefited hundreds of clients who visit them each day to secure answers to personal problems. Post-graduates and PhDs in Philosophy and Science respectively, they constantly help people discover answers to difficult questions relating to married life, children, matchmaking, job opportunities and other problems. They contend that astrology is heavenly knowledge, which can be studied with an open, unbiased mind, devoid of desire for financial gains and by constantly accumulating vast knowledge in the field.
