Since dreams belong to a mysterious realm, it is difficult to understand the hidden meaning in our dreams.

In this fascinating book, the author offers scientific explanation to help you understand the dream language.

Armed with this knowledge and also with the help of extensive dream dictionary, you can interpret what your dreams mean, warn, signify or forecast.

The book is a perfect guide to know:

*What is going on around you?

*How can you face and forecast situations and mould your future in better ways?

*Whether success and prosperity will ever reach you...and many more things.

This book also explores nature of dreams, predicting, valuable ideas as propounded by Sigmund Freud, Aristotle, Descartes, Jung and others. It is indeed your personal advisor on dreams - a true friend!
