I can't stand it when she does that!  
Why did I ever marry her!  
He is a rotten husband!  
We don't even like each other any more!  
We are going to get a divorce!

Feelings like these can crop up at various stages of a relationship, from pre-marital and newly wed to married for a number of years.

These are all clear warning signs that require action.

Wake up before you break up. Smoothen out the rough spots to save, strengthen and enrich your relationship by making the small changes in your perspective and attitude.

Discover the secrets of happy married life. Discover the magic potion that lies in a little give, and a little take. Remember, understanding, compatibility, love and trust for each other develops over time to nurture a marriage.

Just adapt and adopt the simple suggestions to make your married life meaningful.

A must-read for young men and women about to marry, just married and couples with some years of marriage in today's changing scenario.

The two authors themselves have the experience of decades of matrimony, and have been through thick and thin. The varied problems, some big, others small, prompted them to write this book to help couples in shaky boats.
