The Funny Side of English takes you on a pleasure trip through the English language.

Besides being an international language, English is also a funny and crazy tongue – which this book on recreational English amply proves.

Interesting aspects about the language are unravelled across every chapter.

The alphabetical chapters – from ABC Language to Words Worth Reviving – will open a world of amazing and amusing English.

An absolute engrosser, you will find this a hard-to-put-down book, finishing it at one sitting.
