While many Indian joke books are jokes themselves, this book avoids the pitfalls by its professional approach towards compilation, rewriting and editing.

The book comprises the world's best adult medical jokes, quips, quotes and humour. Bold and bawdy lines that don't make it between the covers of joke books in India make an appearance here.

Unlike many joke books that are a start-to-finish affair without categorisation, this book is divided into 21 chapters that facilitate easy reading.

The chapters include:

Nurses, Surgeons, Gynaecologists, Sex Therapists, Viagra, AIDS, Veterinarians, Optometrists, Limericks, Wisecracks and a Medical Glossary, amongst others.

This book is not meant for those whose sensibilities are easily hurt or people with an ill-developed sense of humour. But for those who love non-vegetarian fare of medical humour, this book is just what the doctor prescribed!
