Some dreams and premonitions are prophetic. They came true in the life of many eminent world personalities like Julius Caesar, Abraham Lincoln, Adolf Hitler, Mark Twain, H.G.Wells and John Lennon foretelling death, calamities and disasters with pin-point accuracy. Thus, to discount them as being coincidental is not only preposterous, but also defying divinity. The present book turns the spotlight on a wide range of dreams and extra-sensory perceptions covering wars, crimes, discoveries and murders.

Mind-boggling, thrilling, startling, yet time proven!!!
