Code: 9982C

Pages: 259

Price: Rs. 95.00 US\$ 4.00

Publisher: CEDAR BOOKS

Usually ships within 15 days

Vinculum in essence means a stepping stone, an isthmus, and that is what this book is. It is an isthmus between adolescence and maturity, between dreams and reality and between happiness and sorrow.

Vinculum is a simple, heartwarming tale of five adolescents from different backgrounds thrown together in an environment as fascinating as a medical college, in a locale as romantic as Shimla.

Contents

Prologue

THE ACCIDENT
